

Only 4 days remaining!

Sisonke booster vaccinations must end 17 December 2021 to make way for government to start boosting.

Don't delay. Boost today!

“

I received my booster to protect myself, my family, friends and colleagues during the 4th wave. I didn't want to risk ending up with long COVID or hospitalised, regretting why I didn't take it. Please register and do your part to put an end to this pandemic!

The 4th wave is here and cases are rising sharply

Two doses of J&J will provide better protection than one dose.

Boost without delay
